# Ashton Larmour-McQuaide

(Head Boy 2023-2024)

Forth River Primary School

## **BBMS Opportunities:**

I have had opportunities to explore various subjects and join clubs and sports teams such as the football team which is currently in the quarter finals of the Irish Cup. I have developed leadership skills in multiple different roles, leading to me becoming Head Boy. I have been able to build a foundation for future academic and personal growth. I have engaged in extracurricular activities and taken the opportunity of mentorship. To open doors to broader experiences and skill development I have focused on strengths, whilst also taking time to address my weaknesses.

## **Future Plans:**

I have applied to study courses relating to Politics and Law. I have chosen Politics and International Relations in two different universities.

My other options include:

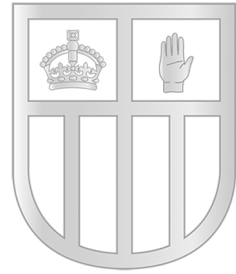

- Law
- Law with Politics and International Relations
- Law and Criminal Justice.

## **Favourite memory from Primary School**

My favourite memory would have to be playing football at break and lunch. We were always playing football whenever we got the chance and as a footballer and a very active person, I loved it. I especially enjoyed coming to the Boys' Model to play football in a tournament in P6, even though we lost in the final!

# Adam Patterson

(Head Boy 2023-2024)

Carr's Glen Primary School

## **BBMS Opportunities:**

During my time here I have had so many opportunities. I have been able to meet many new friends, while also keeping in touch with my friends from Primary School. I have been on many different trips. However, the Ski Trip to Bulgaria stands out over them all. I have been given the opportunity to become Head Boy which has helped me develop many skills such as leadership and teamwork. I have been able to play as part of the football team and take part in tournaments in which we have been finalists, while also taking part in many other sports during PE. The Boys' Model has also given me the opportunity to study subjects I have become extremely interested in and hope to continue to study after my time here.

## **Future Plans:**

I have applied for Politics and International Studies at either Queen's University, Belfast or Ulster University, Belfast.

## **Favourite memory**

# Lucas Black

(Deputy Head Boy 2023-2024)

Forth River Primary School

## **BBMS Opportunities:**

In BBMS, I have had many opportunities that have helped me so much and have made me the person I am today. For example, I went to Norway with school to learn how other countries would deal with newcomers or migrants in their country which has not only changed my perspective of people but the friends I made whilst in Norway will never be forgotten.

## **Future Plans:**

I have applied for Higher Level Apprenticeships in the IT sector, and I have also applied for many IT university courses.

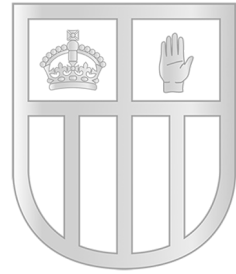

## **Favourite memory**

### **from Primary School**

My favourite memory would have to be when I was in P6 and P7 as I always was so happy to be able to go to the Nature Garden at break, lunch or golden time. It holds a special place in my heart as I have always tried to stay connected with all my old friends from Forth River. For me personally, I finally came out of my little shy shell and made more friends in the Nature Garden.

# Daniel Crymble

(Deputy Head Boy 2023-2024)

Carr's Glen Primary School

## **BBMS Opportunities:**

I have had many opportunities within BBMS. This year I achieved the position of Deputy Head Boy. Within this role I have been able to develop my decision making and leadership skills. I was also given the opportunity to go abroad in November with the school as part of the Turing Project. We went to Norway and learnt about how school works there and experienced a different culture.

## **Future Plans:**

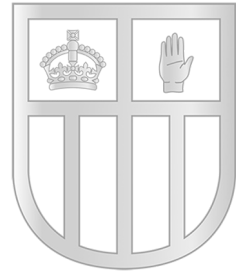

I want to be a Special Educational Needs Teacher, so I have applied for many teaching courses, including SEN teaching and teaching within a primary or secondary school. I have also applied for English at Queen's University which will provide me with another pathway into teaching.

## **Favourite memory from Primary School**

In Primary School we went to Disneyland Paris in P7 which was unbelievable. We were able to go all around Disneyland seeing the rides and places around the park. One of the rides malfunctioned while we were on it, just before the loop. This was a very scary experience!

# Darrel Graham

(Deputy Head Boy 2023-2024)

Edenbrooke Primary School

## **BBMS Opportunities:**

I am extremely proud to be a Deputy Head Boy in BBMS. I have had academic opportunities such as being able to study Double Award Sport and A-level Biology. I have also gained an insight into employment opportunities through work experiences at Physiotherapy clinics, gyms and virtual work experiences. Mock interviews and career programmes such as Career Ready have helped me to prepare for future employment. Through opportunities such as trips to Norway on the Turing Project, I have succeeded in making many memories and been able to have the opportunity to make great friends.

## **Future Plans:**

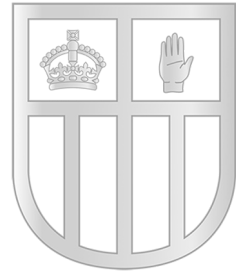

I have applied for Physiotherapy at a range of different universities including Ulster University, Glasgow Caledonian University and Cardiff University. I am also considering applying for either Sports Science at Ulster University or Human Biology at Queen's University.

## **Favourite memory from Primary School**

Going on a residential trip to the Ulster folk and Transport Museum, as I got to see many different things from the past and got to make memories with my Primary School friends.

## David Neill

(Deputy Head Boy 2023-2024)  
Cavehill Primary School

### BBMS Opportunities:

I have had a vast number of opportunities here and have been enabled to go on to further study by the choice of my A-levels in Politics, History and English Literature. I valued the chance to go to Norway for 10 days to experience their culture and school life. I have taken part in cross community work through the Green Way Project. For many years I have been involved with the Student Council, Ambassadors and mentoring. Through multiple work experience opportunities, I have had the chance to learn about the world of work in the Law sphere as well as having a personal mentor through Careers NI.

### Future Plans:

I have applied for:

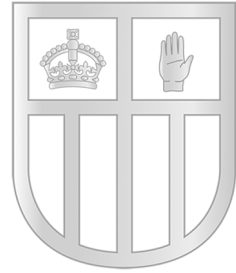

1. Law at Queen's
2. Law and Criminology at Queen's
3. Law at Ulster
4. Law and Criminology at Ulster
5. Law and Accounting at Ulster

### Favourite memory from Primary School

My favourite memory would probably be the Aladdin play, in which I played the thief in the first scene.

## **BBMS Opportunities:**

Instead of listing the opportunities available it would be easier to list those not available through BBMS as there is very little out of the picture. You are given many opportunities from work experience in your desired field to Ski trips across the world. I am very happy with the opportunities I have had at BBMS.

## **Future Plans:**

I have applied for the following courses:

1. Civil Engineering with a year in placement at Queen's University
2. Civil Engineering at Queen's University
3. Chemical Engineering at Queen's University
4. Civil Engineering at Liverpool John Moore
5. Chemical Engineering at Queen's University

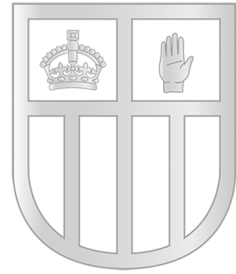

## **Favourite memory from Primary School**

The last day of P7 was memorable as we got our teacher to do silly trends that were popular at the time such as bottle flipping and dabbing! It was so memorable and also very emotional, it being the last day of primary school forever so everything just seemed so enjoyable and euphoric.

## BBMS Opportunities:

In BBMS I have had many opportunities such as going on the Ski trip when I was in Year 8. I was able to take part in the Career Ready programme last year. This helped me to build skills to make myself more employable and be able to apply for University. This year I have also become a Senior Prefect which has developed my teamwork skills.

## Future Plans:

I have applied for:

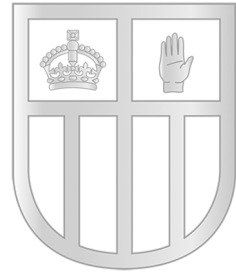

- Criminology and Criminal Justice at Ulster University
- Criminology at Queen's University Community Youth Work at Ulster University
- International Hospitality Management at Ulster University
- International Tourism Management at Ulster University in Coleraine.

## Favourite memory from Primary School

Out of the 7 years in Primary School, my favourite was our Leavers Assembly where I was awarded 'Best Actor' for the performance of Mrs Curry!

# Caleb Canavan

(Senior Prefect 2023-2024)  
Cliftonville Primary School

## **BBMS Opportunities:**

I have become a Senior Prefect, allowing me to take on important responsibilities and assist younger year groups. This role has given me the chance to contribute to the school community. I have been fortunate to be a part of the school choir, where I have been able to express my love for music and performance. I have also been able to audition for a musical which has been a rewarding and enriching experience. These opportunities have not only allowed me to develop leadership and teamwork skills, but they have also provided me with a platform to pursue my passion for music and performance.

## **Future Plans:**

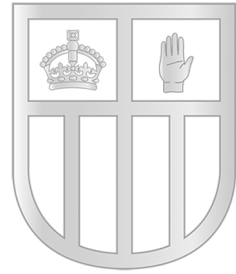

I would love to pursue a career in the field of Media or Art. Media Studies would allow me to explore the power of communication through various mediums such as film. Art courses would enable me to unleash my creativity and express myself through different forms of Art.

## **Favourite memory from Primary School**

It is when I was in P5. We had the opportunity to enjoy a selection of French baked goods. The experience was not only about savouring delicious pastries but about the joy and laughter that filled the room. It was a time when we all came together, enjoyed the treats, and appreciated the culture.

## Jay Craney

(Senior Prefect 2023-2024)

Forth River Primary School

### **BBMS Opportunities:**

I have had many different opportunities within my time at the Boys' Model. For example, I have been able to attend many different beneficial trips, including visiting Stormont. I was able to attend this trip because of my studies in A-level Politics. This trip was fun and like nothing I had experienced before. The highlight of my time at Boys' Model would be attending a trip to Norway. This trip was surreal from start to finish and I was able to experience many new things and a whole new culture.

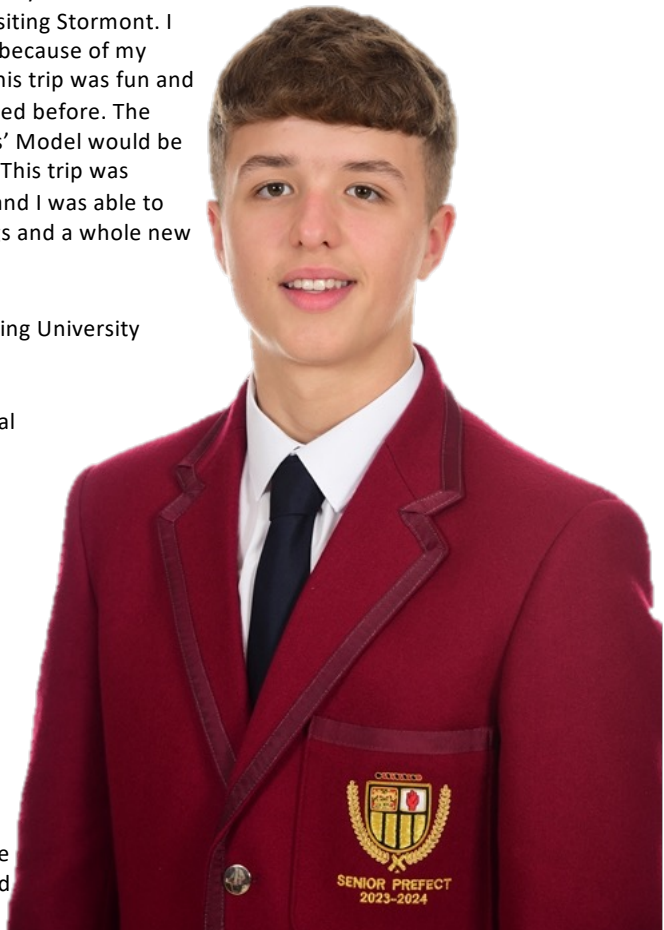

### **Future Plans:**

I have applied for the following University courses:

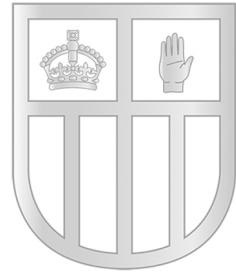

1. Business Management
2. Business with International Management
3. Sports Business
4. Business with Marketing
5. Business with Accounting

### **Favourite memory from Primary School**

My favourite memory would be playing in a school football tournament with all my friends against different schools from all around Belfast. This is my favourite memory because our team managed to make it the whole way to the final and we played many fun games together.

## Kiane Dickson

(Senior Prefect 2023-2024)

Currie Primary School

### BBMS Opportunities:

I have been involved with the Student Council from Year 9 which has given me the opportunity to go on trips and residentials, as well as meeting and greeting guests that visit the school. Through the Student Council I have also been involved in events such as Bake Sales and Information Evenings which have developed my social skills. I have achieved the privilege of an Honours Blazer and the honour to become a Senior Prefect. This has allowed me to be a part of a committee and help out at parent's evenings and the P7 taster days. The best opportunity I was given was taking part in Duke of Edinburgh during my Enrichment periods in Year 12. In these classes I learnt how to read a map, measure distance on a map, orienteering skills, and how to navigate walking trails. At the end of this course, we went on a 2-day expedition where we hiked through the Mournes, camped overnight then hiked back.

### Future Plans:

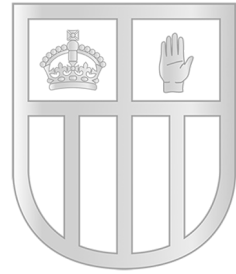

I have applied for University courses in Criminology and Engineering.

### Favourite memory from Primary School

My favourite memory of primary school was playing football in the underground.

## **BBMS Opportunities:**

I have had many opportunities from work experience and apprenticeships as well as being enabled to go to an Art portfolio workshop. I was able to work in artists' studios and galleries to see what it would be like to work there every day. There have been many opportunities to be able to help out around the school and to be able to learn valuable skills.

## **Future Plans:**

I have applied for the following courses:

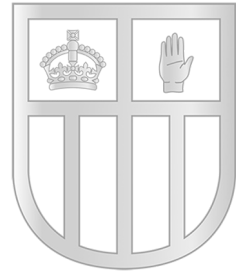

1. Fine Art at Ulster University.
2. Art foundation year Ulster University.
3. Media at Ulster University
4. Media in Queen's University
5. Animation in Queen's University

## **Favourite memory from Primary School**

Being able to play Football at lunch and mess around and just have fun with it – back when it was not as stressful as it is now!

## Ben Irvine

(Senior Prefect 2023-2024)

Forth River Primary School

### BBMS Opportunities:

I have had endless opportunities especially in Senior School. There are new opportunities posted in our MS Team every week for multiple different career paths. I was lucky enough to take part in 3 of these opportunities. At the Queen's Opportunity Programme, I stayed in Queen's student accommodation while studying Computer Science. During this programme I also received a £1000 bursary for each year I study and a grade reduction for a Computer Science course. At the LJMU Summer school, I went to Liverpool with all expenses paid and stayed in student accommodation and received an insight into the Computer Science degree over there. Finally, I also was able to do work experience with Kainos where I received an insight into the company and developed my coding skills.

### Future Plans:

I have applied for 5 courses in 3 different universities. I have applied for Computer Science at Liverpool John Moore University and Queen's University; Software Engineering at Queen's University; Computing Science at Ulster University and Software Engineering at Ulster University.

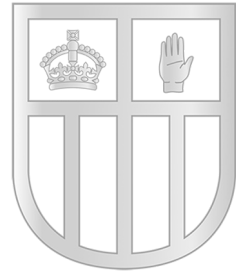

### Favourite memory

#### from Primary School

My favourite memory is when we played in the P6 football tournament at BBMS. This is one of my favourite memories because this was the only time my school got to play football against other schools. We came second in the Champions League which for the first time playing together was a great achievement.

## **BBMS Opportunities:**

I have had opportunities such as virtual work experiences with the NHS. BBMS has helped diagnose my Dyslexia which gave me the opportunity to get tested and now I am able to have extra time in exams. This has allowed me to achieve the academic grades of which I am capable. I also had the opportunity last year to go on a trip to Liverpool with my Sport Studies class where I got to watch a Premier League match as well as train and play a match against the Steven Gerrard Academy.

## **Future Plans:**

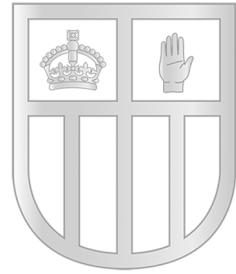

I have applied for many courses involving Sport, for example, Sport and Exercise Science. I will also be applying for Joinery Apprenticeship in January.

## **Favourite memory from Primary School**

My favourite memory was going to the Share Centre on a residential trip and playing in tournaments for the school Football team. I was grateful to win the Football Cup when I was in P7.

# Lukas Kirzgalvis

(Senior Prefect 2023-2024)

Fane Street Primary School

## **BBMS Opportunities:**

I have had many opportunities such as attending extracurricular clubs, for example, Art and Scripture Union. I have had support from teachers. If I have a problem with a question or work, I can always go and ask the teacher who will help. I have been on trips to different places such as Ulster University. Another opportunity I have had is work experience as I have completed two enjoyable work experience placements. I was able to improve my skills such as communication and organisation. We also are given opportunities for further work experience so that we can gain and improve varied skills that are valuable to a future employer. I have become a Senior Prefect which has developed my teamwork skills

## **Future Plans:**

I have applied to Game Design and Development, Game Design, Art and Design, Architectural Engineering and Graphic Design courses all at Ulster University.

## **Favourite memory**

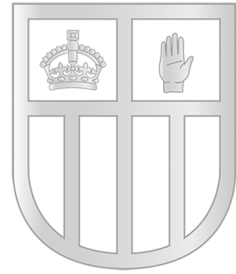

### **from Primary School**

This would be having different trips throughout the years especially going swimming and attending different after school clubs as they were great fun! Another favourite memory was watching the plays that the school performed.

## **BBMS Opportunities:**

At BBMS I have been able to develop myself through numerous activities and opportunities. I have been able to represent the school as a key player for the rugby team as a forward, scoring tries, partaking in rucks and scrums. I went on a skiing holiday to Bulgaria where I made many key memories as I learnt how to ski, qualifying as a beginner and progressing onto intermediate. I am graced with the ability to represent the school's core values of Respect, Commitment and Integrity as I wear my Honours blazer with pride in the position of Senior Prefect.

## **Future Plans:**

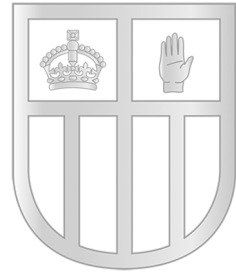

I have applied for History, Politics and Criminology courses at Queen's University, Belfast.

## **Favourite memory from Primary School**

This is my P7 Leavers Prom where I spent a fun night on one of the last days. I was able to see friends and fellow pupils, as little did I know this would be the last time our paths would cross. I got to leave on good terms and say final goodbyes.

## Joshua Long

(Senior Prefect 2023-2024)

Cavehill Primary School

### BBMS Opportunities:

In the Belfast Boys' Model School, I have had multiple opportunities to do great things. Some of these opportunities have been going to Alton Towers in Year 8, Let's Go Hydro, work experience to the Army and just recently I went to Norway with the Turing Project. I have had many opportunities to take part in other trips that BBMS have offered me such as going on the annual Ski trip.

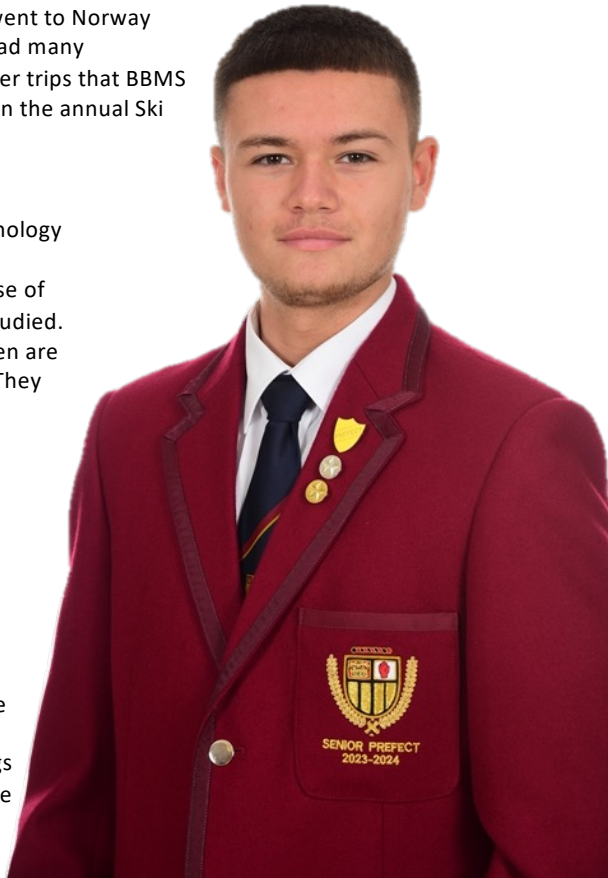

### Future Plans:

I have applied for multiple Technology and Engineering courses. I have applied for these courses because of the GCSEs and A-Levels I have studied. Most of the courses I have chosen are courses from Ulster University. They are:

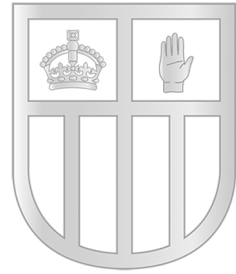

- Electrical Engineering
- Mechanical Engineering
- Engineering Management.

### Favourite memory from Primary School

It was going to the Share Centre with all my friends. This trip was a great experience where I made lifelong friends and countless memories. One of the best things I can remember was going on the Banana boat in the lake where everyone fell off!

### BBMS Opportunities:

I have had multiple opportunities, for example, I was able to go to a Primary School to help the children with Numeracy and Literacy as part of my Enrichment. I visited Ulster University to explore the fabulous new building; see what subjects were available and talk to those in charge of the courses. I have also had many other opportunities such as team building days with my year group before starting a new year in school and becoming a Senior Prefect.

### Future Plans:

I have applied for the following courses:

1. Criminology and Justice (Ulster University)
2. Criminology with Forensic Science (University of Hull)
3. Graphic Design (Ulster University)
4. Criminology and Forensic Science (Northumbria University)
5. Criminology and Forensic Studies (University of Portsmouth)

## **BBMS Opportunities:**

I have been able to represent the school in playing for the football team on multiple occasions. I have also gained more knowledge about sport through my choice of A-level subjects which I wish to develop in further education. Finally, achieving the honour of Senior Prefect has been amazing and I wear my red blazer with pride.

## **Future Plans:**

I have applied for:

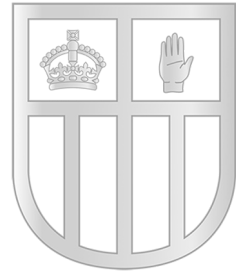

- Foundation Degree in PE at Stranmillis,
- Sports Studies at Ulster University, Belfast
- Sports and Exercise Science at Ulster University, Belfast
- PE with foundation year at Liverpool John Moore
- Sports and Physical Education at Liverpool Hope.

## **Favourite memory from Primary School**

It would be when I went to the Share Centre with my class. We took part in a wide range of fun and enjoyable activities and is something I will never forget!

# John McKinstry

(Senior Prefect 2023-2024)

Glenwood Primary School

### BBMS Opportunities:

I have been given lots of different opportunities. These opportunities include becoming a Senior Prefect which has allowed me to become more confident in myself and improved my relationships with everyone around the school. Additionally, I was also given the opportunity to take part in a mentoring programme called Career Ready. This programme paired me up with an experienced mentor. Career Ready also allowed me to meet with managers and employees from some of the biggest companies in Northern Ireland and even the world.

### Future Plans:

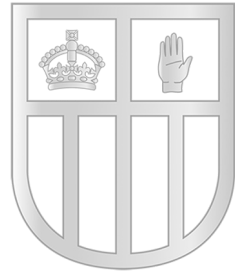

I have applied for Business related courses in Ulster University, Liverpool, Manchester and Salford. I would one day love to own and operate my own business. I have applied for a Business Management apprenticeship with PWC. This apprenticeship would allow me to still attend university and also gain valuable workplace experience. I am also applying for other Apprenticeships and courses in Belfast Met.

### Favourite memory from Primary School

I have a lot of great memories. The standout would be going on the P7 residential to Delamont. There were different activities that I would never have put myself up for doing such as kayaking, archery and wall climbing.

## **BBMS Opportunities:**

I have been in the rugby team since Year 8. This has given me the opportunity to be as part of a team and progress some of my skills such as teamwork as well as communication with others. I have also been able to apply to be a Senior Prefect. This pushes you out of your comfort zone, at times, when it comes to speaking in front of a class. I have represented the school at different events such as going down to speak to lecturers at Ulster University as well as going to memorial events. I also volunteered to welcome visitors up to my school for events. This has all made me develop my skills such as my communication, social skills, teamwork and listening skills. This is all getting me ready to leave school in June when it will be time to follow the path I want to take either in work or even University.

## **Future Plans:**

I have applied for courses in:

- International Hospitality Management,
- International Tourism Management
- Event Management.

## **Favourite memory**

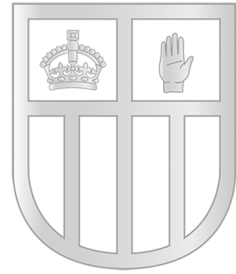

### **from Primary School**

My favourite memory is the trips. The P6 trip was to the Share Centre, where we got to do a few activities in the water. The P7 trip was to Disneyland Paris. This was the best memory because I got the chance to go on rides with my mates that I would never have the chance to.

(Senior Prefect 2023-2024)

Carr's Glen Primary School

## **BBMS Opportunities:**

I have had dozens of opportunities. For me, the opportunity to play different sports and discover my love for rugby really helped me grow into the man I am today. I have made new friends and connections that hopefully will continue into my adulthood as I continue to discover the world. In terms of educational opportunities, I have travelled to Norway through the Turing Project. I have entered the world of work with the SMBP programme working with top companies such as BT and completed work experience in Physiotherapy which I have decided that I would like to try to pursue as a career. There is so much I have taken from BBMS, it would be impossible to write about and remember everything this school has allowed me to take part in and learn. When I got to Senior School, I really appreciated this school, the opportunities and the teachers.

## **Future Plans:**

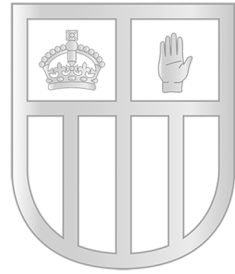

Two of my choices are Ulster University for Sport and Exercise Sciences and Sport Studies both with placement years. The third was a Business Management with a placement year at Queen's University. I have also applied to Durham University and Edinburgh Napier University for Sport and Exercise Science.

## **Favourite memory from Primary School**

It would probably be the Prom. I enjoyed the atmosphere, and the hard part was saying goodbye to my teachers and friends.

## **BBMS Opportunities:**

I have been on international trips to Bulgaria for Skiing and Norway for a leadership and community understanding programme. BBMS has given me opportunities to get myself involved in extracurricular clubs that have improved my social skills and developed my leadership, communication and teamwork skills. The Student Council in the school gave me further opportunities for skills development at a residential with YMCA in Newcastle. I have been given opportunities to make great friends and have been pushed to become a better version of myself. I have studied interesting subjects such as History and Politics . These have had an impact of what I want to do for a career. In addition, work experience opportunities with Job Assist will benefit me in the world of work.

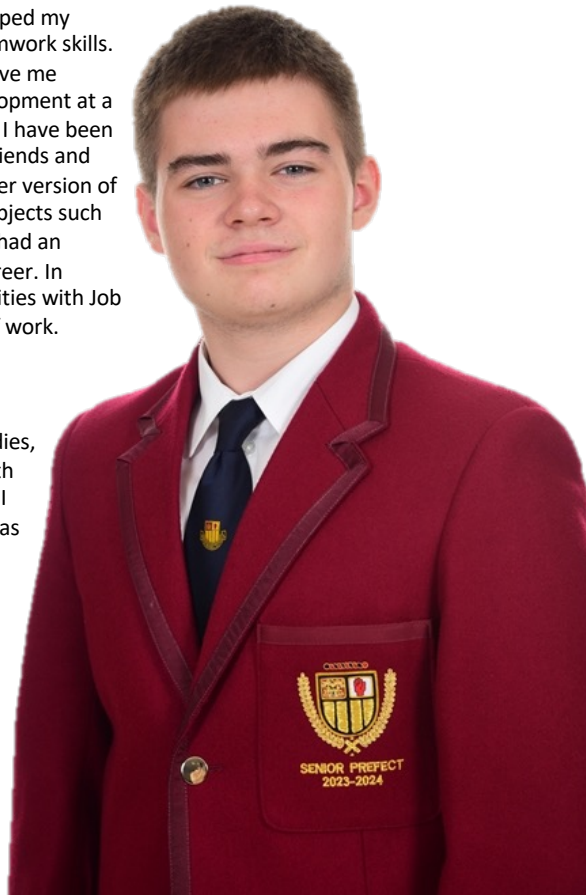

## **Future Plans:**

I have applied for Community Youth Work, Politics and International Studies, Politics and International Studies with Criminology, all at Ulster University. I have also applied for Politics as well as Politics with International Studies at Queen's University.

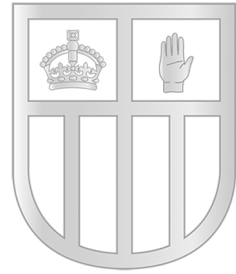

## **Favourite memory**

### **from Primary School**

My favourite memory was either going to Share Centre in P6/P7 or anytime in the playground during P6/P7. Especially when we all ran around playing games with each other and having good laughs and talking about the new games.

## **BBMS Opportunities:**

In Belfast Boys' Model I have had plenty of opportunities. Currently I am a Senior Prefect, Anti-bullying Ambassador and a Numeracy Mentor for younger pupils within the school. For the last 6 years I have also played for the school football team, and we reached the Irish Cup Final in Year 12 which was a very exciting moment within my school life. This year I have also had the opportunity to gain an additional qualification; I have been working on sport in partnership with another school and it has been a great experience.

## **Future Plans:**

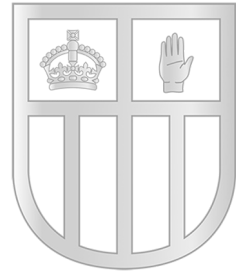

I have applied for a number of courses in Law at Ulster University. I want to go into Law with International Politics. These courses mean I can then go on to become a Lawyer

## **Favourite memory from Primary School**

My favourite memory was on my last day when I walked into our Leavers Assembly after being badly hurt in a silly accident. Everyone was just staring at me because they knew something major had happened!

### BBMS Opportunities:

Boys' Model has offered me some of the best and most valuable opportunities I have had the pleasure to take part in. Some of these opportunities include playing school rugby matches across the country and building a bond with my team. Other opportunities would be the countless places I have visited with the school including Stormont, Giant's Causeway and the Ulster Museum.

Another opportunity I have had is a recent student exchange programme to Norway. We travelled all around Norway to various schools learning about how newcomers are introduced into their school system. It was a fantastic, once in a lifetime experience.

### Future Plans:

I have applied for the following courses:

1. Criminology and Criminal Justice at Ulster University
2. Politics & International Studies with Criminology at Ulster University
3. Law with Politics & International Studies at Ulster University
4. Criminology at Queen's University
5. International Relations and Politics at Queen's University.

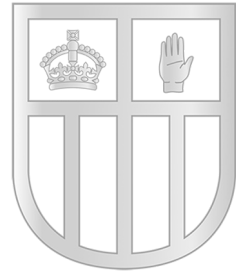

### Favourite memory

#### from Primary School

My favourite would be when a massive egg, which we called the 'dinosaur egg', was found in the middle of the school. It was the talk of the school for weeks and everyone was excited to find out what it could be or what it would do!

# Lewis Strain

(Senior Prefect 2023-2024)  
Glenwood Primary School

## **BBMS Opportunities:**

I have had many different opportunities in BBMS such as the opportunity to gain an extra qualification which is a Level 2 Food Safety and Hygiene. I have also been given the opportunity to represent BBMS as a Senior Prefect. This has enabled me to develop many skills such as teamwork and communication.

## **Future Plans:**

I have applied for many courses in Ulster University which are Computing Science, Interactive Computing, Computing Technologies, Software Engineering and International Hospitality Management.

## **Favourite memory from Primary School**

My favourite memory is taking part in the Christmas Pantomime. I was part of the choir, and it was great fun to put on the show to so many people.
